

In the spring of 2014, we began a massive renovation of our home. At which time we ordered 5,000 square feet of your R-6 Insultex house wrap. Our contactor loved it and so do we. In the subsequent winter, we have noticed warmth in our home that we have never experienced in the past twenty years. We attribute this new-found coziness to your R-6 house wrap. With the approaching hot summers of the South, we are looking forward to lower air conditioning usage. We'll keep you posted.
